BSCS/25-040

20th October 2025

Dear Former Year 11 and Year 13 Fine Art, Textiles and Photography student,

Firstly, can I take this opportunity to say a huge congratulation on your fantastic set of Art, Textiles and Photography results, we hope you have all managed to progress into your chosen field of studies/employment as hoped. Please do get into contact with Miss Westgate if you would like any support or advice. (Email address at the bottom of this letter).

The deadline for GCSE and A level Fine Art, Textiles and Photography exam reviews has now passed which means we are now able to return your coursework and exam portfolios.

Your work will be available for collection from **Monday 3rd Nov by appointment only**. If you are no longer a BSCS student you will need to make an appointment with Miss Westgate to organise for your work to be dropped off at reception for you to collect. If you are currently still a student at BSCS then you will be allowed to collect your work from the Art department as arranged with Miss Westgate. You will be given a pile containing all of your loose work and sketchbooks, unless your work has been selected for display. Please bring your own cardboard boxes or carrier bags to transport your 3D work and sketchbooks home safely. Unfortunately, we cannot allow you to take your work home in our folders, however we have put your work in a plastic bag for you.

**Photography students – Unless you have personally paid for professional prints, created installations or 3D work within your Photography it is unlikely there will be anything physical to collect. You should still be able to access your digital portfolios through Google Classroom – if you cannot, and would like a copy, please let Miss Westgate know and she can organise for this to be shared with you.*

There are some pieces of artwork which we would love to hold back and display around school or use as inspiration for our new GCSE and A Level students for a little while. If your work has been selected, we hope that you have already noticed it on display around the school or seen it being used in lessons. We will be in touch when the displays are renewed at the end of the academic year and ensure that your work is returned to you safely.

We will store your work in the Art department until the last day of term 2 on Friday 19th December. Any work that has not been collected by lunchtime on Friday 19th December will be disposed of. If you have any problems with collecting your artwork before this time, please contact Miss Westgate so that she can make alternative arrangements – laura.westgate@olympustrust.co.uk . If you do not want your art work, it would be helpful if you dropped us an email to let us know and we can dispose of it.

We hope you are all enjoying your new courses, apprenticeships or work placements and would love to hear how you are getting on. Feel free to drop us an email on Laura.westgate@olympustrust.co.uk

Kind Regards

Laura Westgate

Miss Laura Westgate
