23rd January 2026

Dear Parents/Carers,

Year 7 – 9 Enrichment Week, Monday 13th July – Wednesday 15th July 2026

We are excited to be able to share with you the details of opportunities available to your child during Enrichment Week 2026. Please note, the trips listed on this letter are just the day trips available. There will be a further letter detailing the in-school activities being held later in the school year, which will be either free or will have a small cost towards materials.

Enrichment week 2026 will run over three days (Monday 13th – Wednesday 15th July), with the final two days of the week (Thursday 16th and Friday 17th) consisting of in-school activities for all students. No sign up is required for the final two days.

During Enrichment Week, a large proportion of Year 7 and 9 students will be on camp, with some Year 9 students completing their Bronze D of E (these were launched at the start of the academic year). The details below are for all other students during this exciting week:

Year 8 Day Trips - Selection Required via ARBOR
Each activity can only be chosen **once** during the week. Please do not choose the same trip if they appear on multiple days! Please select the day trips that you would like your Year 8 child to take part in by logging into the Arbor Parent Portal under the Trips section on **Friday 30th January 2026 at 8pm**. All spaces are allocated on a first come, first served basis.

If not all places on trips are taken up by Year 8 students initially, **trips will then be offered to Year 7 and Year 9 students who are not taking part in this year's PGL camps or the Bronze Duke of Edinburgh Award**, again on a first come first served basis. These will be available on **Monday 2nd February at 8pm** on ARBOR following the same process as above.

So that tickets and coaches can be confirmed, we are asking for a small deposit of £20 per day trip selected, followed by full balance payment of all secured trips **(via the Arbor consent process)** to be cleared by **Tuesday 31st March 2026** *(please be aware that the final prices may vary slightly depending on the number of students attending as small adjustments are made to make each trip viable).*

The information below is a summary of the trips and activities being offered and is up to date at the time of writing.

Financial Support
Students in receipt of **free school meals** may be entitled to financial support for the above day trips. Please contact the finance team for approval on BCS-Finance@olympustrust.co.uk.

At BSCS, we pride ourselves on the enrichment activities that we offer our students. Enrichment Week activities give students a chance to celebrate the end of the school year together, helping and encouraging each other through the challenges that these trips entail. It is a great bonding experience for the students (and staff!).

If you have any enquiries with regards to the above, please do not hesitate to contact me.

Kind regards,

Martin Randall
