18th March 2026

Dear Year 11 Parents and Carers,

Year 11 Review 2

This letter is to accompany the second review of Year 11. At the end of this document is an example review with further explanation, alongside guidance for how to access the reviews via Arbor.

Since the start of the year, your child has been learning specific skills and knowledge in each of their subjects appropriate for this stage of their education. You can find more information about their curriculum, including overviews for each subject, here on the website.

This review provides a teacher assessment of your child's current grade (based on recent pieces of assessed work such as their mock exams), the overall mock grade from their February mock exams, and their target for the end of Year 11. Each will be displayed as a numerical grade (9 to 1) for GCSE courses, or as either a pass, merit or distinction for vocational courses.

Alongside their grades, you have been provided with information about your child's effort in and outside of the classroom; this is based on the criteria below.

In class effort:

- **Excellent** - your child is consistently well focussed in lessons and engages in discussion. They are well prepared for learning, and they always complete work to the best of their ability while striving to be ambitious in their learning.
- **Good** - your child is generally well focussed in lessons and they engage in some class discussion. They are prepared for learning and complete work to the best of their ability.
- **Satisfactory** - your child is focussed in lessons most of the time, but is sometimes distracted or off task. They are prepared for learning most of the time, and the quality of the work they produce meets the basic learning aims of the lesson, however, they could be more ambitious with their learning.
- **Unsatisfactory** - your child is frequently not focussed in lessons and distracts others. The quality of their work is often poor and / or they frequently do not complete enough work. They rarely have their equipment, and they are not prepared for learning.

A reminder of general, and subject specific, equipment can be found here.

Continued...

Out of class effort:

- **Excellent** - your child always meets deadlines, and the work completed out of lessons shows real effort and commitment, there is evidence that extra reading / revision has taken place.
- **Good** - your child generally meets deadlines and the work they do out of lessons is consistently completed to the best of their ability.
- **Satisfactory** - your child sometimes misses deadlines, and the work completed out of lessons is sometimes unfinished or not done to the best of their ability.
- **Unsatisfactory** - your child often fails to meet deadlines, and their work is often incomplete or of poor quality.

You can find homework timetables and further guidance here.

You can also see your child's attendance; this is shown year-to-date. Regular attendance matters and we encourage all students to aim for 100% each week as every day counts in their educational journey. Consistent school attendance allows your child to:

- Fully engage in learning and make academic progress
- Develop critical social skills by interacting with their friends and teachers
- Grow in confidence
- Build a sense of routine and responsibility

We greatly appreciate your role in maximising your child's attendance and thank you for your ongoing support. Together, we can help them reach their full potential!

FUTURE KEY DATES FOR YEAR 11:

- Summer exam window - Thursday 7th May to Wednesday 24th June. **All students must be available for exams during this period; including on the contingency days**.
  N.B. exams such as language speaking exams will be held outside of this window.
- Leavers' Assembly – Thursday 18th June (morning)
- Post-16 Taster/Induction Day – Thursday 25th June
- Prom – Friday 3rd July
- GCSE results day – Thursday 20th August

We will shortly update students and parents/carers about lessons for Term 5 and 6, and issue personal exam timetables. However, broadly the plan will be the same as for previous cohorts and we will maximise lessons and time to support students with their final preparation for their summer exams.

If you have any questions about your child's report or progress, in the first instance please contact their tutor. Tutor email addresses can be found here on the school website when you click the relevant photo.

Best wishes,

Adam Littleboy
Deputy Headteacher

Guidance for how to access the report card via Arbor.

1. Log in to the parent portal using your username and password. If you have forgotten your login details, please click on the "forgot password" button on the login page and follow the instructions.

2. Once logged in, navigate to the "reports" section.

3a. If you are using the Arbor app: click on 3 green lines on the bottom left, and then select report card.

3b. If logging on via browser: click on orange “quick action” button and select report card

4. Select data report card and download

If you have any trouble accessing the report card or have any questions, please do not hesitate to contact us enquiries@bradleystokecs.org.uk.
