BSCS/25-133

18th May 2026

Dear Parents and Carers,

As part of our continued focus on maintaining high standards across the school, we have been working closely with students on "getting the basics right," including punctuality, behaviour, equipment, and uniform.

Uniform
Thank you for your continued support in ensuring students attend school in the correct uniform. The vast majority of students represent the school exceptionally well.

Please can we remind families that students should wear:

- Black socks
- School trousers or school skirt in line with the uniform policy
- Teal polo shirt
- Teal jumper

The following items are not permitted:

- Leggings or flared leggings
- Joggers
- Sports shorts

Where there is a genuine reason for incorrect uniform, students will be supported in the first instance. However, repeated issues will result in parents/carers being contacted and asked to bring the correct uniform into school.

Mobile Phones
I'm sure you are aware of the Government's intention to introduce a legal ban on smartphones to ensure schools are phone-free for the entire day, in part to support students' mental health. Whilst our current mobile phone policy already complies with the latest national guidance, we are reviewing our procedures, including the possible introduction of phone pouches as many other schools have done both locally and nationally.

We value parental feedback and would like to invite parents and carers to a **Parent Forum meeting on Tuesday 16th June at 6:45 pm** to understand the possible options and share your views for us to consider before any decisions are made.

To register your interest, please sign up here.

Behaviour in the Community
Unfortunately, we have received reports from members of the public regarding anti-social behaviour in the community involving some BSCS students. These issues are being addressed through assemblies and tutor time, and we would appreciate your support in reinforcing these messages at home. Please remind your child of the importance of behaving respectfully in the community and representing the school positively at all times. Any incidents reported to the school will be followed up appropriately.

Thank you for your continued support. We are delighted that in the last week, 6580 tutor points were awarded and that across the year, there have been almost ten times as many Rs being awarded than Cs!

Kind regards,

Mrs Beth Owen
Deputy Headteacher
