8th July 2026

Dear Parents and Carers,

FINAL WEEK ARRANGEMENTS

As we approach the end of term, I wanted to do a quick update about the final week arrangements.

We know for some students a change of routine can be unsettling, please do let us know of anything we may not be aware of.

Enrichment Week (Monday 13th – Friday 17th July)
There are a range of residential trips, in-school activities and day trips running over Monday, Tuesday and Wednesday. Choices have been made available and we have emailed parents/carers to remind where there are gaps. If choices are not made, your child will be allocated an in-school activity, and they will not be able to change. Thank you for your support and understanding here as there has been months of work preparing for this.

Students are expected back in school on Thursday 16th July and Friday 17th July. We are really looking forward to providing something a bit different that we hope students will enjoy and both days will be based around the themes of 'Culture and Community.'

Thursday 16th July
In order to celebrate the cultural diversity of our school community, we will be running a series of activities to explore the range of cultures around us, whilst promoting the British Values of mutual respect, liberty, and tolerance. We will also be running a celebration assembly for each year group, and have encouraged students to participate and share their cultural and community experiences. An assignment has been set on the year group communications page (on google classroom) with more information.

Students are welcome to wear any clothing that represents their culture on this day. This could range from items that come from a country of heritage to any clothes that make up the colours of a nation's flag. Students can also wear their BSCS school uniform, PE kit or sports clothes from a particular country. The school day will finish with a picnic, whereby students are encouraged to bring sharing snacks from around the world (nut free), as well as small games that can be played together (e.g. Uno, cards, Dobble).

Friday 17th July:
The theme of community will continue into Friday, with all students being able to access connections through a range of tasks including sport and physical activity. Students should arrive at school in BSCS PE kit and stay in it for the day. Students will be dismissed, on a staggered departure, from 12:05pm to 12:20pm.

This has all been explained to students, but we would appreciate you checking in with them to ensure they are clear.

Kind regards,

Martin Randall
