20th June 2025

Dear Parents and Carers,

UPDATE TO UNIFORM POLICY – HAIR GUIDELINES

We are writing to inform you of a small but important update to our school uniform policy.

Following a review of the policy, feedback from stakeholders and after careful consideration, we are pleased to let you know that students will now be permitted to wear their hair down during the school day. This change will come into effect from Monday 23rd June 2025 and applies to all year groups.

However, for health and safety reasons, students must continue to tie their hair back during practical lessons, such as PE, science, food technology and product design. This will help us ensure a safe learning environment for all.

We believe this update maintains our high standards, while also giving students flexibility and comfort.

We will be explaining this to students during tutor time and assemblies alongside a reminder about our expectations around uniform which the vast majority get right every day.

Thank you for your ongoing support. If you have any questions or concerns, please do not hesitate to get in touch.

Kind regards,

Mrs Bethan Owen
Deputy Headteacher
