7th July 2025

Dear Parents and Carers,

FINAL WEEK ARRANGEMENTS

As we approach the end of term, I wanted to do a quick update about the final week arrangements.

Enrichment Week (Monday 14th – Friday 18th July)
There are a range of residential trips, in-school activities and day trips running over Monday, Tuesday and Wednesday. Choices have been open for a number of weeks and we have emailed parents/carers to remind where there are gaps. Please ensure all choices are made by the end of the day on Tuesday 8th July; if choices are not made by this time, your child will be allocated an in-school activity, and they will not be able to change. Thank you for your support and understanding here.

Students are expected back in school on Thursday 17th July and Friday 18th July. We are really looking forward to providing something a bit different that we hope students will enjoy and both days will be based around the themes of 'Culture, Wellbeing and Belonging.'

Thursday 17th July
In order to celebrate the cultural diversity of our school community, we will be running a series of activities to explore the range of cultures around us, whilst promoting the British Values of mutual respect, liberty, and tolerance. We will also be investigating ways to promote well-being strategies amongst our students.

Students are welcome to wear any clothing that represents their culture on this day. This could range from items that come from a country of heritage to any clothes that make up the colours of a nation's flag. Students can also wear their BSCS school uniform, PE kit or sports clothes from a particular country. The school day will finish with a picnic, whereby students are encouraged to bring sharing snacks from around the world (nut free), as well as small games that can be played together (e.g. Uno, cards, Dobble).

Friday 18th July:
The themes of well-being and belonging will continue into Friday, with all students being able to access connections through a range of tasks including sport and physical activity. Students should arrive at school in BSCS PE kit and stay in it for the day. Students will be dismissed, on a staggered departure, from 12:05pm to 12:20pm.

Kind regards,

Martin Randall
