Learners represented the school brilliantly at a series of after-school sports events with other local schools, showing determination, enthusiasm and great team spirit. We are now preparing for Children's Mental Health Week, with activities designed to promote well-being and positive connections. Next Thursday's enrichment morning will promote well-being. Children will need to wear their colour team t-shirts on the day and PE kits. In the afternoon, we re-launch Curriculum Unleashed and children will take part in creative, hands-on activities that celebrate curiosity, teamwork and joyful learning.

KS2 Kurling and Year 2 Dance Event

Well done to our learners that attended sporting events this week. They worked alongside other children from different schools. They showed great team work!

Number Day

We celebrated Number Day this week. Kicking off the day with a maths assembly where we played 'The Price is Right' as a school. It was lots of fun! All classes now have estimation stations and all learners had a go at completing maths activities on the iPads during the day.

Lunar New Year

On Wednesday 11th February, children are invited to wear red to school to help us celebrate! Please wear normal school trousers/skirts with red t-shirts or jumpers.

Safer Internet Day

Safer internet Day will be marked in school on Tuesday 10th February 2026, joining millions of people across the UK and around the world. This year's focus, 'smart tech, safe choices—exploring the safe and responsible use of AI,' invites children to learn how to use smart technology thoughtfully and safely. All classes will be taking part in learning about Online Safety over the next two weeks.

Children's Mental Health Week

Next week is Children's Mental Health week. We have been thinking about belonging in our assemblies this week. We thought about how we can help ourselves and others to feel that they belong?

Place2Be's CHILDREN'S MENTAL HEALTH WEEK

Congratulations to our learners!
