Bradley Stoke Community School Primary Newsletter
Friday 9th January 2026

Happy New Year to all our families. We hope you enjoyed a wonderful break and found time to rest, recharge and enjoy moments together. It has been lovely welcoming the children back this week and they have returned with great enthusiasm and energy for the term ahead. Our classes have already jumped straight back into their curriculum learning and the children enjoyed catching up with their friends. We have also welcomed two new student teachers this term, Mrs Beach, who will be working with Year 1, and Mrs John, who joins our Year 2 team. We know you will make them feel very welcome as they begin their placements with us.

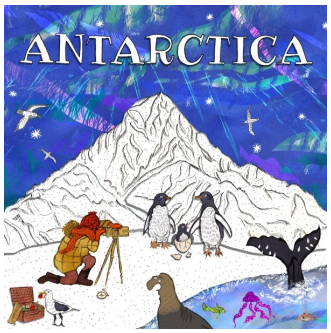
Maria Goodchild – Head of Primary

Winter Weather

Acorns class have been exploring ice, snow and melting this week.

Year 1 visit the Bristol Old Vic

Year 1 visited the theatre this week to see a show called 'Antartica'. They are currently learning about cold climates.



Fence

Over the next couple of weeks, you may notice work being carried out on the fence around our field. The work is due to start on Monday 19th January 2026.

Online Safety

Roblox continues to be a very popular game with children, and it can be a great place for creativity and play. To help keep everyone safe online, please take a moment to check your child's privacy settings, talk to them about not chatting with strangers, and remind them to tell a trusted adult if anything online makes them feel unsure or uncomfortable. You can find a Roblox parent guide attached to our newsletter.

Congratulations to our learners!

BE KIND | BE READY | BE THE BEST YOU
