Bradley Stoke Community School Primary Newsletter
Friday 30th January 2026

It's been another wonderfully busy week in school, filled with energy and enthusiasm. Drama Club with Mrs Vickery kicked things off on Monday, with plenty of singing, dancing and confident rehearsals. Our Primary Council met to discuss educational visits, they will be gathering feedback from their classes to help ensure future trips are purposeful and support learning. We also welcomed our Learning Detectives into classrooms this week and they were incredibly impressed by the focus, effort and excitement for learning they saw across the school.

Maria Goodchild – Head of Primary

Year 2 visit Bristol Aerospace

Year 2 had an exciting visit to Bristol Aerospace, where they explored real aircrafts and discovered how planes fly. The highlight of the day was stepping aboard Concorde, which filled the children with awe as they imagined travelling at incredible speeds.

National Number Day

National Number Day takes place next week, and we're looking forward to celebrating a love of maths across the school. Children will enjoy fun number activities, games and challenges to build confidence and enthusiasm.

Howdens Wellbeing App

Wellbeing and mental health support is available for our school community on the Howdens Wisdom app or via the helpline. Support is available 24/7, 365 days a year.

Safer Internet Day

Safer internet Day will be marked in school on Tuesday 10th February 2026, joining millions of people across the UK and around the world. This year's focus, 'smart tech, safe choices—exploring the safe and responsible use of AI,' invites children to learn how to use smart technology thoughtfully and safely. All classes will be taking part in learning about Online Safety over the next two weeks.

Safer Internet Day 2026

Year 2 Tuck

Friends will be selling tuck on the playground next Friday (6th February). This time it is Year 2's turn to donate the tuck.

Congratulations to our learners!
