Bradley Stoke Community School Primary Newsletter
Friday 8th May 2026

This week, we have been reflecting on how to make lunchtime enjoyable for everyone, including looking after our equipment and sharing our field respectfully with the secondary students. We have also been thinking about how to reduce waste, particularly by using our new soap dispensers carefully. With just two weeks of term remaining, it's hard to believe how quickly the year has flown by!

Maria Goodchild – Head of Primary

Ultimate Frisbee

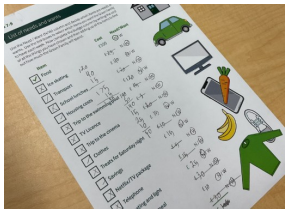
This week, some learners from Year 4, 5 and 6 had the opportunity to try some Ultimate Frisbee in a tournament with local schools. The children represented our school so well and showed amazing team work. Our new sport t-shirts looked great too! We will use these for lots of sporting events.

Year 6 SATS

We wish all our Year 6 children the very best in their SATs this week. You have worked so hard and should be very proud. Remember, SATs do not define you. The most important thing is to try your best and believe in yourselves. We are all incredibly proud of you and can't wait to celebrate at the end of the week. You've got this!

Financial Skills with Lloyds

We were delighted to welcome colleagues from Lloyds Banking Group to lead engaging financial skills workshops across the school. Children explored important topics in an age-appropriate way, with some classes learning to distinguish between wants and needs, while others developed their understanding of bank accounts and how to stay safe when using digital money. These sessions provided valuable, real-life learning to help prepare our leaners for the future.



Congratulations to our learners!
