# Bradley Stoke Community School Primary Newsletter
## Friday 22nd May 2026

We ended this term with a brilliant Bend the Rules Day! The school was filled with funky hair and colourful socks. As we look ahead to Term 6, we're excited to begin our final stretch of the year, packed with learning, celebrations and lots of sports. We hope everyone enjoys the holiday, makes the most of the lovely weather and returns refreshed for a fantastic final term.

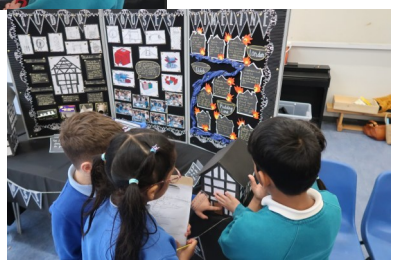
### Year 2 and 3 Exhibition

Conkers and Maple Class presented their learning at the trust exhibition this week. We were impressed by how confidently the children spoke about their learning from across the past two terms.



### Junior Parkrun

### BSCS has become a Parkrun primary!

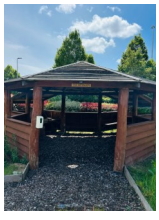
Junior parkrun is a free, fun, friendly, weekly, community event organised by volunteers of all ages for children aged 4 to 14 and any accompanying adults who want to take part. 2km junior parkrun events take place on Sunday mornings in the UK. It's a great introduction for all the family to be physically active outside together.

To promote our school's involvement, Mr Oake will be running with his son in this Sunday's junior parkrun at Little Stoke Park (home | Littlestoke-juniors parkrun | Littlestoke-juniors parkrun) at 9am. We aim to promote at least one of these runs each term. You can register here: register | parkrun UK

Hopefully see you there on Sunday!

### Meadow clean up!

Last Sunday we added new bark to the meadow and cleaned up the area. Thank you to all of the volunteers who worked very hard to ensure the children have a lovely outside space to enjoy. We used the area to toast marshmallows over the fire on Monday during our outdoor learning enrichment morning.



### Relationships and Sex Education meeting for parents and carers

On Thursday 11th June at 5pm, Miss Goodchild and Mrs Ashton will be running an online meeting for parents about Relationships and Sex Education. Teachers will be teaching these units in PSHE next term, and we will be talking through what each year group will learn and answering any questions you may have.
