Bradley Stoke Community School Primary Newsletter
Friday 5th June 2026

We hope all families managed to enjoy the sunny weather whilst it lasted. It's been lovely having everyone back in school this week. Many classes have been busy completing their PiXL assessments, giving teachers a clear picture of progress as we head into the final stretch of the year. We are also making the last preparations for the Year 1 Phonics Screening and the Year 4 Multiplication Check, both of which will take place next week. Good luck to all children involved — we know they will try their very best.
