Bradley Stoke Community School Primary Newsletter
Friday 12th June 2026

We have a fantastic week of learning experiences coming up. On Monday, Acorns Class are heading to Weston-super-Mare to support their topic on the coast and bring their geography learning to life. Mr Oake and Miss Fraser will also be completing their minibus training which will help us continue to attend sports fixtures and local trips throughout the year. To finish the week, Year 3 will be visiting a local river on Friday as part of their curriculum learning and exploring the features they have been studying in class.

Maria Goodchild – Head of Primary

Summer Fair

Thank you to everyone that donated sweets for the sweet tombola. We hope children enjoyed the non-uniform day! Don't forget to buy your tickets for the Summer Festival Circus Show. They are £8.50 if bought this weekend and you can purchase them here:

https://pta.events/7ggrncx1

If you can spare an hour or more to volunteer on the day, it really makes the event magical for our children. You can sign up here: https://volunteersignup.org/HFQKC or email Friends on: friendsatbscsprimary@gmail.com

Year 5 Walk for Water

This week, Year 5 walked over 8km to raise money for Water Aid, travelling all the way to Winterbourne and back. They have raised more than £1,000, which is an incredible achievement. We are looking forward to welcoming a member of the Water Aid team to school on Monday to explain to the children how their fundraising will make a difference. Year 5 are currently learning about the impact of charity in their curriculum lessons, making this experience especially meaningful.

Raised	Target
£1,100	£1,000

Online Safety

Keeping children safe online is a shared responsibility, and we want to remind families of some key guidance around social media use for primary-aged children. Most social media platforms have a minimum age of 13, meaning they are not designed for primary-aged children.

Families are encouraged to:

- Talk regularly with children about what they see and do online
- Use parental controls and privacy settings to limit who can contact them
- Remind children never to share personal information, photos or videos
- Encourage them to speak to a trusted adult if something worries or confuses them
- Model positive online behaviour and set clear boundaries at home

Keeping Children Safe Online | NSPCC

Year 1 Phonics Screening and Year 4 Multiplication Check

A huge well done to our brilliant Year 1 and Year 4 children who completed their phonics screening and multiplication check this week. They worked incredibly hard and showed fantastic progress. We are so proud of everything they've achieved this year.

Thank you to our amazing teachers and teaching assistants for helping the children prepare so well, and to parents for all your support at home too.

BE KIND | BE READY | BE THE BEST YOU
