Friday 25th September 2026

Dear Parents and Carers of students in Year 10,

I hope there has been a successful start to the year for all students. It has been great to see them return to school and to settle back into day-to-day school life and routines.

At the end of last year, we said there would be an information session for parents and carers to outline the academic year ahead; please note students are not required to attend this as they will receive similar information through lessons, tutor and assemblies. **For parents and carers of students in Year 10, this will be on Thursday 8th October from 18.00; the session will last around 30 minutes and will take place in the Main Hall.**

During the session, we will introduce ourselves as the team dedicated to supporting students and parents/carers, while also highlighting other key members of staff and various points of contacts available. We will share with you, and show you how to find, subject specific information such as exam boards, useful resources, and general tips for revision. Linked to this there will be specific information about the Religious Studies GCSE exam that students will sit in the summer of 2026. Finally, we will ensure you are aware of key dates such as when mock exams and work experience will take place.

If you would like to attend the event, please complete this brief form to sign up. The final question allows you to share any specific and relevant questions you would like us to try and cover.

We look forward to seeing you at the event.

Kind regards,

Adam Littleboy
Deputy Headteacher
